

Entry Form

Lancia Motor Club Trackday 25 May 2013

Once again, this historic circuit is available for the exclusive use of the Lancia Motor Club, other invited clubs and guests. All you need is a roadworthy car and a helmet. Drive at your own pace, and in your own space. With just eight cars running in each session the circuit will seem pretty empty!

An instructor will be on hand to offer advice. The circuit operates with strict overtaking rules and right of way for slower cars giving safety to every precious vehicle.

The cost will be £180.00 per car for the whole day or £95 for half day (please state preference of am or pm). The circuit will be open from 9.00am to 5.00pm with a one hour lunch break. A queuing system operates and you may join for as many 12-15 minute sessions as you wish. There will be a parade lap at around 12.15 to celebrate the 50th Anniversary of the Lancia Fulvia. There will be no extra charge to take part in this for Fulvia members who have paid for either a half or full track day.

Members of the LMC may ride as passengers free of charge. Temporary membership is available at £12.00 for non-member passengers payable on the day. Spectators are welcome free of charge. Full instructions will be sent out three weeks prior to the event.

Please note that the noise limit this year is 98dBA – fine for road cars but noisy competition cars owners may like to check their cars before entering.

PLEASE PRINT CLEARLY – All entries will be confirmed

Name **Membership No.**

Address.....

Postcode Tel No. Email

Car Entered Reg. No.

I require*..... Full day entries at £180 / car and include payment of £

I require*..... AM half-day entries at £ 95 / car and include payment of £

I require*..... PM half-day entries at £ 95 / car and include payment of £

* The club will endeavour to allocate your full day or half day preference but this will be on a first come first served basis. Should there be over demand then you will be informed and offered the best alternative or be put on a waiting list.
