

Lancia Motor Club Trackday 18 April 2015

We need YOU!

Don't miss out or put off entering this event which is organised exclusively for the Lancia Motor Club, other invited clubs and guests. All you need is a roadworthy car and a helmet. Drive at your own pace, and in your own space. With just eight cars running the circuit will seem pretty empty!

All newcomers will passenger with the circuit's pro instructor first and he will be on hand to come round with you in your car. The circuit operates with strict overtaking rules and right of way for slower cars giving safety to every precious vehicle. This is for every member and is not a race practice!!!

The cost will be £190.00 per car for the whole day or £120 for half day (please state preference of am or pm). The circuit will be open from 9.00am to 5.00pm with a one hour lunch break. A queuing system operates and you may join for as many 12-15 minute sessions as you wish.

Members may ride as passengers free of charge. Temporary membership is available at £10.00 for non-member passengers payable on the day. Passengers must be 16 or over. Spectators are free but a £5 contribution for your fun would be appreciated. Full instructions will be sent out three weeks prior to the event.

Please note that the noise limit is 98dBA – fine for road cars but noisy competition cars owners may like to check their cars before entering.

PLEASE PRINT CLEARLY – All entries will be confirmed

Name Membership No.

Address.....

Postcode Tel No. Email
