 Rosso = Red
 Verde = Green

26. Two-speed windshield wiper motor
27. Engine compartment light press-switch
28. Air ventilation fan two-speed motor
29. Junction block (5 outlets - white)
30. Fuse box
31. Low beam solenoid switch
32. Outer lights solenoid switch
33. Horns solenoid switch
34. Number plate flashing solenoid switch
35. Emergency light circuit fuse (16 A)
36. Instruments light switch with rheostat
37. Main beam solenoid switch
38. Instruments signalling light flasher
39. Emergency panel inner light
40. Instruments lights
41. Instruments junction block (8 outlets - white)
42. Fuel gauge with reserve warning light
43. Coolant temperature gauge
44. Oil pressure gauge
45. Reversing lamp
46. Number plate lamp
47. Stop light
48. Rear side light
49. Rear direction indicator
50. Rear window motor stroke limiting switch
51. Rear window opening motor
52. Fuel gauge transmitter
53. Heated rear window filament
54. Courtesy light
55. Courtesy light door-operated press-button switch
56. Open door marker lamp
57. Heated rear window switch
58. Reversing light press-button switch
59. Rear window opening motor junction block (4 outlets - red)
60. Stop light switch
61. Handbrake warning light switch
62. Junction block (6 outlets - red)
63. Rear window opening motor switch
64. Rear window opening motor switch
65. Rear window opening motor switch
66. Rear window opening motor switch
67. Rear window opening motor switch
68. Rear window opening motor switch
69. Rear window opening motor switch
70. Rear window opening motor switch
71. Rear window opening motor switch
72. Rear window opening motor switch
73. Rear window opening motor switch
74. Rear window opening motor switch
75. Rear window opening motor switch
76. Rear window opening motor switch
77. Rear window opening motor switch
78. Rear window opening motor switch
79. Rear window opening motor switch
80. Rear window opening motor switch
81. Rear window opening motor switch
82. Rear window opening motor switch
83. Rear window opening motor switch
84. Rear window opening motor switch
85. Rear window opening motor switch
86. Rear window opening motor switch
87. Rear window opening motor switch
88. Rear window opening motor switch
89. Rear window opening motor switch
90. Rear window opening motor switch
91. Rear window opening motor switch
